PRINCESS KRISHNAJAMMANNI TUBERCULOSIS SANATORIUM, MYSORE.

ABSTRACT OF THE TENDER NOTIFICATION OF DIETING ARTICLES OF P. K. T. SANATORIUM, MYSORE, FOR THE YEAR 1936.

Tender Notice, dated 24th October 1935.

Notice is hereby given that sealed tenders, in triplicate, on half-sheet foolscap-sized paper will be received at the Office of the Medical Officer, Princess Krishnajammanni Tuberculosis Sanatorium, Mysore, at 4 P.M., on the 25th November 1935, for the supply of articles of diet, etc., (as per list annexed), required for the use of the Princess Krishnajammanni Tuberculosis Sanatorium, Mysore, from 1st January to 31st December 1936 (both days inclusive).

2. No tender will be received after the date and hour abovementioned.

3. Tenders should be superscribed " Tender for the supply of provisions to the Princess Krishnajammanni Tuberculosis Sanatorium, Mysore, for the year 1936 ".

4. No tender will be received unless accompanied by a receipt for Rs. 200 deposited in any of the Government Treasuries in the State as earnest money for tender to the credit of the Medical Officer, Princess Krishnajammanni Tuberculosis Sanatorium, Mysore. No cash payment will be accepted.

5. Tenders will be opened by the Medical Officer in charge at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rates for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended thereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any other tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 400), within three days from the date of his receiving the intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made, as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles of which not less than one month's supply must always be in stock. Perishable articles, such as vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or the same will be purchased by the hospital authorities elsewhere and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound, on occasions of emergency, to supply any other articles that are not mentioned in the list appended to the notice at prevailing market rates and at short notice.

16. The contractor or his agent must be present at the hospital every day both morning and evening to receive the indents and supply the articles required.

17. The contractor will not be asked to supply the vegetables daily, unless the Sanatorium garden fails, in which case he has to supply them at the rates quoted in the tender. English and country vegetables have to be supplied in variation every alternative day and two kinds of vegetables should be supplied daily for use during the noon and evening.

1. Notice is hereby given that sealed tenders in triplicate on half sheet foolscap-sized paper will be received at the Office of the McGann Hospital, Shimoga, by the District Medical Officer, at 11 A.M., on 25th November 1935, for the supply of articles of diet, etc., required for the McGann Hospital, Shimoga, including Maternity from 1st January 1936 to 31st December 1936, both days inclusive, as per list annexed.

2. No tender will be received after the date and hour abovementioned.

3. Tenders should be superscribed " Tender for the supply of provisions for the McGann Hospital, Shimoga, in luding Materni,y."

4. No tender will be received unless accompanied by a deposit of Rs. 50 in cash or currency notes or treasury receipts.

5. Tenders will be opened by the District Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate for each item must be specified in figures as well as in words and they must be for the particular kind or brand of the articles specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in red ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security to the amount of Rs. 100 within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor. Payments for the articles supplied in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles of which, not less than one month's supply must always be in stock. Perishable articles, such as, vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality, or will be purchased by the hospital authorities from outside and the charges debited to the contractor. Samples of bandage and gauge cloth must be presented. For the supply of milk, cows shall be milked in the hospital premises in the presence of the officer deputed for the purpose at 7-30 A.M. and 5 P.M. daily.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer, for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon, who will have power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound, on occasions of emergency, to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice. For the supply of sugar, the contractor must supply Mandya sugar only.

16. In payments, the contractor must accept the following rule regarding the fractions of a rupee order passed by Government. In payments to be made to the contractor, fractions of a rupee in the total will be rounded to the nearest rupee, that is, fractions less than half a rupee will be disregarded, half a rupee and over taken as a rupee.
